

2026 CLASS PLACEMENT FORM

When allocating children to classes, every effort is made to ensure that the classes we form are well balanced and that the specific needs of all children are taken into account. This is a very lengthy process for our class teachers. If you would like to make us aware of particular issues or needs that you feel we should consider when placing your child, please complete the following form.

It is your child's current class teacher/grade who oversee the new classes, so it is strongly recommended that you discuss this information with your child's teacher ASAP (if appropriate) so they can use this information when forming the classes.
